

Educate, Advocate, Make an Impact

The League of Women Voters is the nation's most effective grassroots organization.

Established in 1920 after winning the right to vote for women, today's League volunteers work on issues of local and national importance from equality to education to housing to voting rights.

The League is non partisan, which means we do not support or oppose candidates for office or political parties. We want everyone to vote so our elected leaders represent our entire community. We are a voice for all, working to connect people directly with government.

We provide and work from facts. We educate. We advocate for change.

Join our network of dedicated members from Palo Alto and Stanford. Membership is:

- Open to all, 16 years and older, regardless of citizenship
- Filled with opportunities to learn and lead, shape issues important to you and your family, and become part of a national network.
- Personal fulfillment and fun!

The League is working to strengthen our democracy and our communities.

Join to be part of an organization that is:

- **Empowering** millions of citizens to exercise their rights—by registering voters, sponsoring candidate forums and debates, and educating the public about elections.
- **Protecting** the right to vote against threats and ensuring that every vote is counted by fighting for and implementing free, fair, and accessible voting systems.
- **Advocating** for positive change at the local, state, and national levels on public policy issues ranging from **climate change, education, housing, immigration and voting rights.**

There shall be no barriers to participation in the League of Women Voters on the basis of gender, race, creed, age, sexual orientation, national origin, disability, or economic status.
