

from the 23 June 2020 LWVPA Board Meeting Minutes:

**MOTION:**

With the intention and hope that individuals in our League will be moved to take action in this historic moment following the murder of George Floyd and the ensuing Black Lives Matter protests, the Board hereby declares:

It is a 2020-2021 priority that our League and its members become educated about and take action to address the systemic racism that denies rights and justice for Black neighbors in all of its manifestations. This includes, but is not limited to, the areas of housing, education, economic opportunity, policing, criminal justice, environmental justice, healthcare and the democratic process wherein systemic racism actively reduces equal opportunities for Black people in our community.
