

## LWVPA Board Recommends the Following Local Program for 2018-19

- **Continue all LWVPA Positions**

- **Program Areas of Emphasis:**

### ***Issues & Positions - Education and Advocacy on:***

- Climate Change - local sustainability action
- Housing and Transportation (Stanford GUP; grade-level crossings; affordable housing study/county)
- Support for "Our Schools and Communities First" campaign, reform of Prop. 13 through LWV California's: petition campaign

### ***Voter Services - Citizen Education/Voter Information:***

- Continuing registration work; election year activities
- Continued civic education with emphasis on issues of information integrity

- **Organizational Areas of Emphasis:**

- Member engagement plan, especially for new members
- Improve communications with members
- Activate Observer Corps

- **Advice to the Board:**

- Have more open discussion meetings on issues, not just speakers or Voter Service-style Pros & Cons
- Watch for any action to levy fees for public use of library meeting rooms
